Spindle Dedication

Here we are — the Class of 1985 — about to bid adieu to Lowell High School for the final time, but first we would like to dedicate this book to the people who have had a profound impact on us throughout four years here . . . our teachers. They have given of themselves to ensure that we have a fair chance in this occasionally rough game of life. We would like to say, "Thank you!" for all the times they did not disappear with the seventh period bell in order to help us with a troublesome problem, give us advice, or simply inspire us to dream of the seemingly impossible. Even though we often say, "Thank God it's Friday!" or, "I can't wait 'til graduation!" we do value the gift of education that they have bestowed upon us. Finally, we wish to encourage them to keep up the good work . . . they have left a lasting imprint on all of us.

Harvest

The Harvest

Each year as October rolls around, The Harvest becomes the pre-dominant topic of conversation. 1984 was no exception. The walls were echoing with girls asking, "Who are you gonna ask?" and "Did you get your gown yet?" Meanwhile the practical males were demanding, "How much is this gonna cost anyway?!" If you needed a date you could have hired a matchmaker, hit another school, or consulted Mrs. Dillon's list to see who was available. As The Big Day approached, plans for pre-Harvest and post-Harvest parties were made. This year The Harvest was held Friday, November 23rd — the day after Thanksgiving. (This posed a slight problem for those who overindulged on turkey and stuffing). Many girls spent more time preparing for the event than actually attending it. It was well worth the effort. Everyone looked terrific! Many faculty members present uttered. "Are you really the one in my third period class who usually won't be caught dead without your jeans on?" All in all, the night was most enjoyable and will stand out in our memories of 1984-85.

School Spirit Soars

The first outdoor pep rally was held in October to recognize and encourage all of the participants in fall sports. The rally was held in Lucy Larcom Park around the concert platform there. Each varsity team was called up, their coach read a short "pep speech", and each athlete was introduced. Thanksgiving activities began with the traditional Pep Rally held in the Fieldhouse. Students brought in confetti and tried to save the choice seats for their friends. After Coach Nelson introduced the Football Team, the JV and Varsity cheerleaders performed before the Standing Room Only crowd. As an added attraction, junior Margo Nison sang "Head Over Heels" by the Go-Go's, accompanied by the band. When the band played everyone's favorite, "We Got the Whole School on our Side," everyone went wild cheering for their own class. Naturally the Seniors were the loudest ones there!!

Homecoming

The Homecoming Game against Billerica was another victory for the invincible Lowell High team. The weather was perfect at Cawley Stadium as the Red Raiders shut out the Indians 28-0, under the blue skies. At halftime, Homecoming Queen Amy Lekites was crowned by last year's queen, Cheryl Hamilton. Richard Violette, President of the Friends of Lowell High, presented the Queen's court with their trophies. The court consisted of junior Shalia Reidy, sophomore Joanna Ladakos, and freshman Kerry Ahearn.

Red Raiders on the Warpath

After a long week at camp, the Lowell High football squad was ready for their scrimmages against Arlington and Salem. Under the leadership of tri-captains Daniel Critchett, Brian Gleason, and James Slattery, and direction of Coach Walter Nelson, they opened the season with a 28-7 win over Andover. Shutting down Chelmsford 21-3 under the lights at Cawley had to be one of the highlights of the year. Undefeated and in contention for a Super Bowl berth, the LHS team had to square off with Dracut, who also had a clean record. In a tough afternoon game at Dracut they fought to a 14-14 finish with tension running high. The Raiders dominated the game, but just could not score the winning point. Their season ended before a rowdy group of Lowell fans in Lawrence, with an impressive 27-0 Turkey Day win.

Girls Show Their Stuff

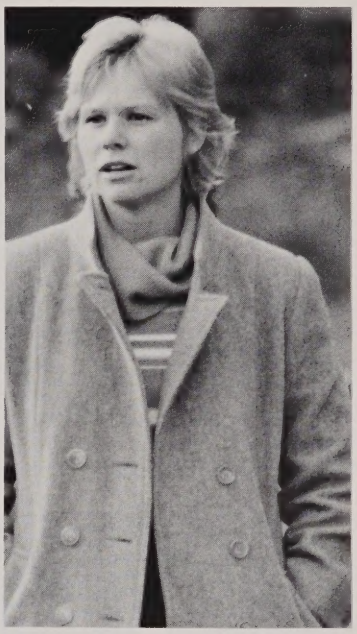
The first annual Lowell High Girls vs. Lowell High Boys soccer game was played on November 7, 1984. The game was supposed to be an easy one for the boys team because the girls were in their first varsity season. Surprise! Although the boys won 4-0 it wasn't easy, because the girls really know how to play tough.

Two interesting matchups were Andrea Gilman vs. Bob Gilman, and Jen King vs. Paul King. Bob was buried by his sister's speed and dribbling ability, and Paul could not get the ball past his sister because of her defensive maneuvers, including a few trips.

The girls made a tough stand on defense, playing by the motto, "Anything goes!" They were going all out — slide tackles, pulling shirts, and even a few cheap shots.

Overall, it was a fun game for both players and spectators — certainly one of the highlights for both teams.

Lady Booters Run Over Foes



The Lowell High School Girls' Soccer team ended the 1984-85 season with a 12-2 record. Thanks to the coaching of Kathy Janas and Tom O'Hare, only 9 goals were scored against Lowell in 14 games. The girls were led by Co-captains Kim Harrington and Rachel Woo.

Ruining Notre Dame Academy's undefeated season and being the first female team allowed to play at Cawley Stadium were definitely highlights of the year. Another outstanding event was the game played against the Lowell High School Boys' Soccer team.

Trophy winners at the Friends of Lowell High School Fall Sports Award meeting were: Most Valuable Player — Rachel Woo, Most Improved Player — Karen Carmody, Coaches' Award — Gail Robertson.

Things to remember: Walking to practice when we missed the bus ... roughest game of the year against North Andover ... chipped tooth and multiple bruises were the results in a 1-1 tie ... they looked marvelous ... the Lowell Boys' Soccer team wearing **our** new uniforms ... we thought they looked very familiar ... borrowing a shovel from a neighbor in order to dig up sand to cover puddles of water at the goal mouths ... on each others' shoulders putting up the nets ...

Captain Steve Cox headed the Boys' Cross Country Team through a good season, which ended with an impressive 6-3 record. An injury to undefeated sophomore Dave Cremin, after four meets, was a setback for LHS. However, under the coaching of John Lang and Phil Maia, they finished third in the division after many close wins.

The highlight of the season was the unexpected defeat of Andover in the first meet of the year. The 23-35 victory (lowest score wins) at Andover's home course got the team psyched for a fine season. Things to remember: Dave Cremin being unable to run in the last four meets ... the Northern Area meet at Brad Palmer Park ... indoor practices ... the Coaches Meet and State Class Meet at Franklin Park in Boston ... having a winning record.

In spite of this strong record the squad was defeated by Haverhill of the Merrimack Valley Conference title. Under Coach Jim McGuirk, Tri-captains Jane Flood, Meghan McCabe and Tricia Vail, led a group of promising underclassmen through a terrific year.

Trophy winners at the Friends of Lowell High School Fall Sports Award Meeting were:

Most Valuable Player — Rosa Cruz

Set For Success

The Lowell High Girls' Volleyball team, with Co-Captains Gail Lavallee and Stacy Raras at the helm, ended the 1984 season with a fine 10-6 record after a slow start. Under the coaching of Rick O'Brien, LHS qualified for the first time to participate in the State Tournament. This year's highlight took place in the Round Robin Tournament at Waltham High when the girls defeated the number two seed, finishing off a memorable season as one of the final eight teams in the contest.

Wet 'n Wild Waders

Co-captains Cathi Cote and Lyn Gillis guided the Lowell High School Girls' Swim Team through an exciting season. Thanks to the medley team's victory, Coach Rosanne Riddick and Diving Coach Kelly Flynn were pleased with a third-place finish in the first annual Merrimack Valley Conference Championship Meet. This marked the team's first trophy ever. Defeating arch-rival Andover in this meet proved to be one of the year's highlights. Andover had previously beaten us in a dual meet. Revenge!! Kathy Lyman set a good example for the younger divers by qualifying for the States.

These girls were honored at the Friends of Lowell High School Fall Sports Awards Meeting: Cathi Cote as Most Valuable (for the fourth consecutive year), Lori Michel as Most Improved, and Kate Lynch received the Coaches' Award. NEW DISEASE, "SENIORITIS", STUMPS EXPERTS

A world wide epidemic, facing high schools around the globe, is a strange disease contracted by Seniors. This problem, commonly referred to as "Senioritis", has stumped scientists (to say nothing of principals, teachers, parents and fellow students) for centuries. Cases, dating back to the time of the ancient Greeks have been documented. Socrates may have been the first to record this behavioral pattern by noting, "The eldest in my classes are often absent or disruptive to the lessons."

The answer to this frightening dilemma still eludes even the most diligent researchers. Several theories have been offered, however. An eminent psychologist suggests that one reason for the behavior may be the innate feeling in every Senior that he/she stands above the rest of the world (or at least, above the underclassmen). This theory sounded promising, but research has been fruitless. Dr. Fernsides, who offered this brilliant explanation, cannot seem to find enough students willing to donate their senior year to a scientific program of this scope.

An ancient theory suggested that the number twelve (12) has something to do with the condition. This was proven worthless when twelve year olds were found to be exhibit none of the same tendencies.

A government official proposed the most plausible theory to date. His opinion is that the Communists have infiltrated high schools everywhere, causing widespread outbreaks of strange behavior. This has yet to be disproved, but a number of F.B.I. agents are working on it as we write.

Fortunately, one method of curing "Senioritis" has been tremendously successful. This remedy is *Graduation!*

It creates two situations. Some students enter the world of work and become forever immune to the disease. The rest turn into Freshmen once more. This sudden switch will keep them subdued and frightened for some time — at least until they approach their Senior again.

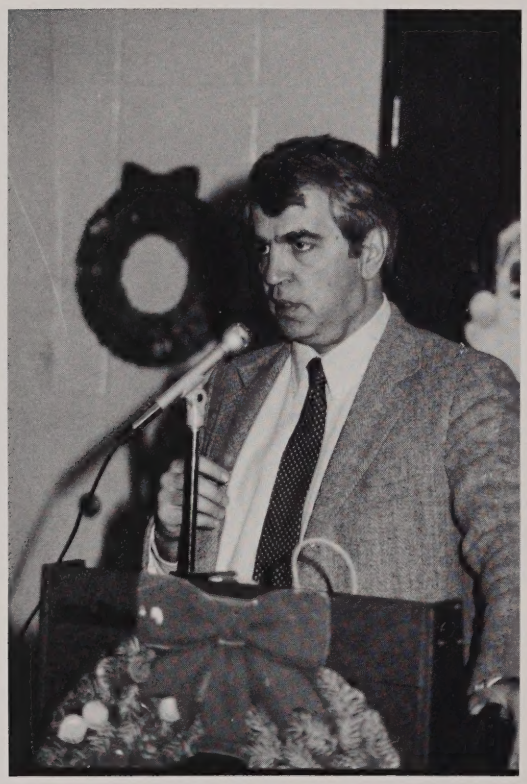
A TASTE OF CULTURE

Since its inception in 1980, the International Language club has grown steadily in popularity and membership. During the 1984-85 school year, 265 students joined the group. Mrs. Priscilla Donlon serves as Team Leader and Mrs. Claudette Donohue is the Assistant Team Leader. Each chapter also has its own advisor.

French: Mr. Ronald Boisjoly
Latin: Mr. Hubert McLaughlin
Spanish: Mrs. Mary Ann Kulesa
Greek: Dr. Peter Rizos
Portuguese: Mr. Louis Gomes

The student officers are as follows.

Presidents: Beth Abrams, Carol Donohue
Vice-president: Becky Woo
Treasurer: Stephen Gervais
Secretary: Patti Flynn



The club opened the year with a cook-out in October as a means of recruiting new members and getting together with old members. Field trips and chapter presentations, during 1984-85, were well planned and well attended.

Communications, through hand gestures as opposed to language itself, was the theme of the Spanish chapter meeting.

The French chapter featured a slide show of various places, photographed by Mr. Boisjoly, during his trips to France. It also sponsored a trip to Boston to a French rock concert.

A presentation on travel and study

abroad was the subject of the Latin and Greek chapters.

The biggest event on the club's calendar was the International Gourmet Holiday Dinner in December. Senator Paul Tsongas spoke of the worth of knowing a foreign language, of his experiences in the Peace Corps and of the rebirth of the city of Lowell.

In March, the club sponsored "International Week". Students were invited to make posters promoting the importance of learning a foreign language. There was a costume contest on one day and the week was topped off by an International Buffet for student members and their parents.

Besides its social events, the club ran a food drive for the Lowell Council on Aging and collected a substantial amount of non-perishable food at holiday time. It also offers tutoring services to fellow students. This is a unique peer program — students tutored not by teachers but by other students.

TYPICAL STUDENTS AT LHS

At Lowell High School, we have many types of so-called students. These may be divided into groups and classified by certain noticeable characteristics. Here are the major categories. Which are you?

Procrastinators

Their hero is the person who invented the SNOOZE button on the alarm clock. These students put off assignments for as long as possible. Often, they are seen "zombielike" in school, after cramming all the previous night for an exam or reading a book for a test during first period. Usually such procrastinators are incompatible with "Early Birds".

Early Birds

Unfortunately, these birds are very rare. They are bright and chirpy, first thing in the morning. The minute such students receive an assignment, it is outlined, then finished within twenty four hours — even if it isn't due for another month. Early Birds find "Procrastinators" very strange people.

Jocks

They have the ability to memorize every play in the play book, but cannot understand why "i comes before e except after c". These "students" can usually be identified by a fish net gym bag and a large ego. If their team loses, they may become very depressed, but they don't bat an eyelash when they flunk a test. Health and physical fitness are the #1 priorities of these specimens. They do not eat lunch, rather they "fuel up" for the game/meet — except for the wrestlers who "suck weight".

Brains

They are seen scurrying down the halls to get to class on time, while carrying a load of books in a practical bag (which usually has a reflector light on it for their nightly jaunt to the library). These students are obsessed with school and spend countless hours preparing for their next school day. Oftentimes, they get so involved in their homework that they forget to eat or sleep. They are often sterotyped as being meek, wearing glasses, and attending M.I.T. When bored, they may be observed reading a dictionary or Thesaurus. Needless to say, their marks are quite good (anything below a 93 can cause a mild nervous breakdown) but their social life could use some excitement.

Activities And Organizations

Making the World a Better Place

The Student Council of LHS had a most successful year. It contributed money and labor to community and school projects. Students actively participated in making our community, and even the world, a better place. They collected money for famine relief in Ethiopia, spoke out against pornography in Lowell, and volunteered their services or blood for the drives held in November and April at the school. For the school itself they sponsored a Teacher Appreciation Dinner, conducted flower sales for Valentine's Day, St. Patrick's Day, and Independence Day, participated in a school Clean-Up Day, and organized a Spirit Week. It raised everyone's morale to see the students getting so actively involved in these various projects. They ended their activities with a "Thank You" cookout for the Friends of Lowell High School.

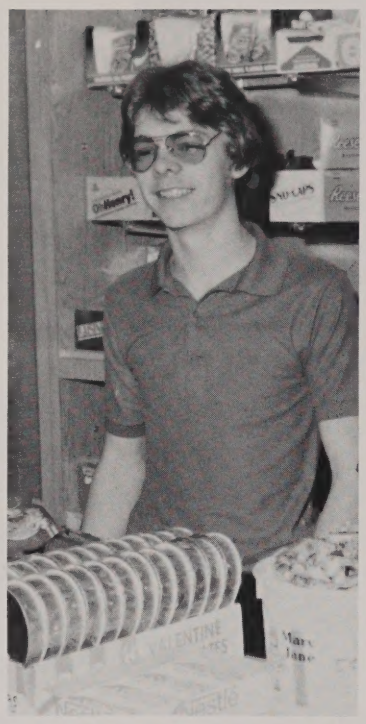
GOURMET DINING

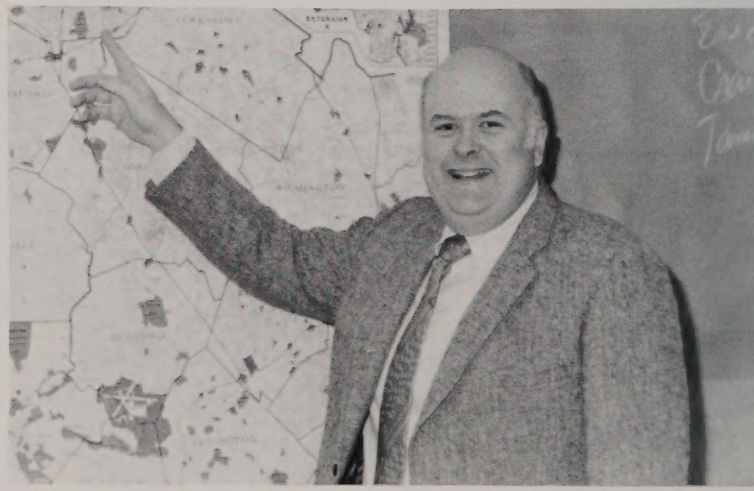
This was the second year for our unique Courtyard Restaurant. Students in the old building, often found themselves tempted by the odors drifting through the ceiling! Under the direction of Chef John Drummey, students in the Culinary Arts program, prepared and served faculty members. The Culinary Arts program, a division of the Home Economics Department, also provided catering services for many community and school functions.

NOT ALL BUSINESS

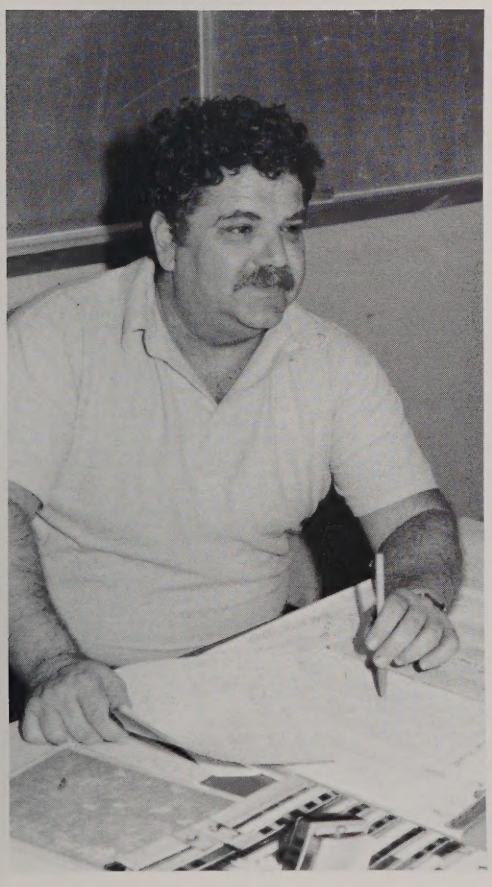
The LHS chapter of DECA had a busy and rewarding year. Students were successful in competition at the state and national levels but more importantly, provided service to the community. They sponsored a Halloween party for the Head Start Youth Program and provided assistance to six families which had been burned out of their home. DECA also participated in the Lowell Memorial Day Parade.

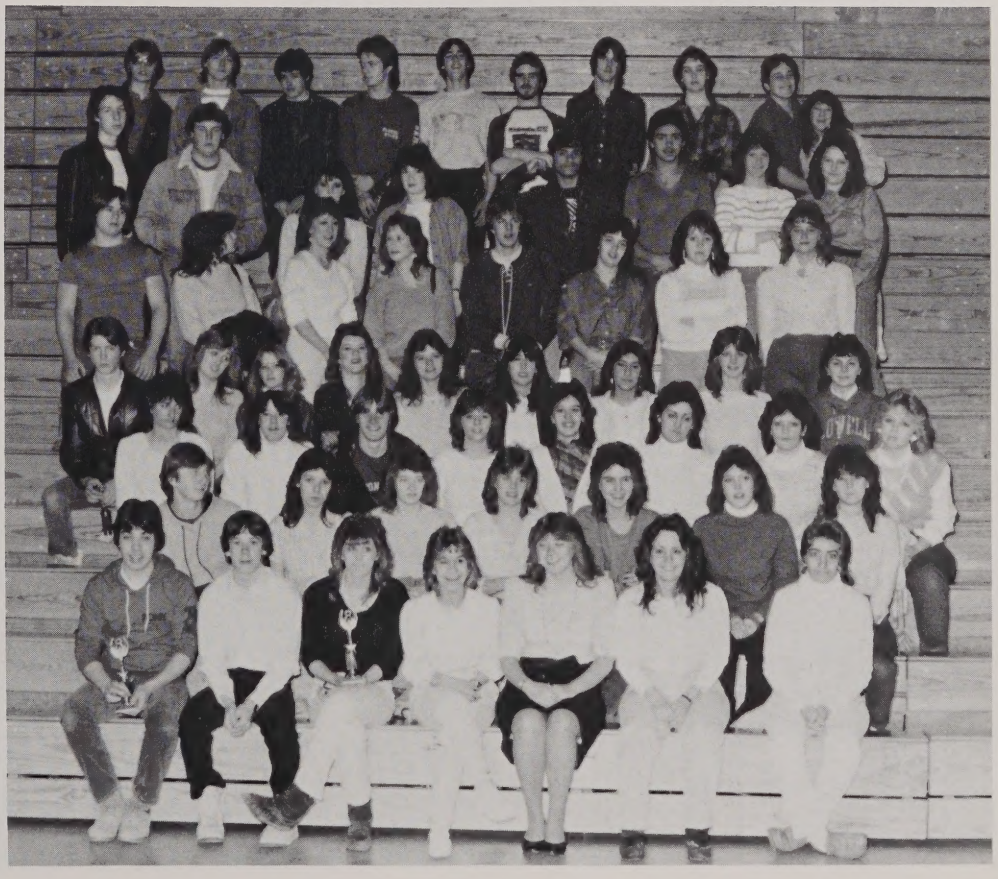
At the national convention of DECA which was held in San Francisco, Alice DaSilva was a third prize winner and Bill Foote took an eighth place. Considering that this was a country-wide competition, LHS is very proud of these two students.





SUNOCO





FLYING HIGH

At the New England Regional Invitational High School Drill Competition, Lowell's AFJROTC topped 14 other teams to take first place. At a competition in Roxbury, in the female individual drill category, LHS members ranked as follows: First Place — 2nd Lt. Carenmarie Hone, Second Place — 2nd Lt. Marie Gosselin, Third Place — SSgt. Sophia Rangulong. Throughout the year ROTC provided Color Guards at various school and community functions. Its members have served as guides "assistance where needed" people at many school-sponsored activities.

THE SOUND OF MUSIC

Under the direction of William Notini, the LHS band completed another successful year. Football games, pep rallies, parades and concerts were all included in the band's busy schedule. A strong showing at the Malden Day parade, led to not only second place honors, but invitations to several other parades, including trips to Rhode Island and Charlestown. The highlight of the year was the annual concert held in March, which featured the LHS concert band, stage band and the "Unsung Heroes" — a jazz ensemble. The band will miss the leadership of its four graduating Seniors: Drum Major — Amy Annaldo, Lisa Annis, Jim Brandon and Terry Fetters. Fetters, the Arion award winner, was selected to play in the elite All-State Orchestra as a bassoonist.

An increasing membership and new uniforms leave the band enthusiastic about the future.

Things to remember: "Let's go band!" ... "Spaghetti Legs" ... "Drummers!" ... "Wild Bill" ... Tony Garas dropping his drum on the field during the Chelmsford game ...

IN PERFECT HARMONY

Mr. B. Douglas Townshend directed the Choral Arts Department through a most productive year. From "Harmonies of Harvest Time" until Graduation ceremonies the group worked hard to present quality entertainment and music to the community. The A Capella Choir, Special Chorus and Stage Band performed at various functions throughout Lowell — the swearing in ceremonies for new citizens at the courthouse, the Christmas Concert, appearances at Smith-Baker Center, the Friends of Lowell High annual meeting, various civic affairs and school assemblies. Their motto could well be "Have tux. Will travel."

SCIENCE AND THE STARS

The LHS Science Club had a most productive year under the leadership of Athena Letsou. Meetings were held every month and committees were formed to assist with the various activities in which members participated.

Susan Bostwick served as President, Darlene Yianopoulos as Vice-president, Joanne Eno as Secretary and Susan Szablak as Treasurer.

On March 20th, the Science Fair was held. Projects were judged by LHS science teachers. For the second year in a row, Paul Chandonnet was the 1st place winner and represented our school at the State Science Fair at M.I.T.

Other winners included Alysia Deveres and Donna Leonard — 2nd place, Todd Keefe — 3rd place, Scott Pepin and Bill Malavich — 4th place, Bob Bacon and Mike Bertos — 5th place, and a 6th place tie between the team of Liz Creegan and Lisa Nothaker and Kathy Sawyer.

All of the place winners represented LHS at the Regional Science Fair in Somerville.

Miss Letsou and Miss Kinney headed an outstanding committee which sponsored a Daffodil Day on March 22nd to benefit the American Cancer Society. Joyce Kulhawik, the Arts and

Entertainment editor for WBZ-TV (Channel 4), visited the school that day to thank the students for their endeavors in this very worth-while project.

Seated: Patrick Diette — Vice-president, Jeff Turcotte — President, Demetrius Rizox — Secretary-Treasurer, Advisor Frank Logiudice Standing: Barry Lloyd, Paul Dunfey, Iurie Schwartz

THEY FIGURE

The LHS Math League had a good year under the tutelage of Advisor Frank Logiudice. Students participated in a contest at U Lowell, competing against teams from other cities and towns. Jeff Turcotte was high scorer for the Raiders. The event gave the LHS group a chance to tour the University, sit in on classes and lectures to meet various professors.

(l. to r.): Chancellor — Demetrius Rizos, Judicier — Michael Nangle, Exchequer — Kevin Garneau, Chamberlin — Joanne Eno, Marshall — Rodney Seaforth

CHECKMATE

The LHS Chess Society had a short but sweet season. Thanks to the capable advisor Carol Davis and some heads up playing, both Chelmsford and Andover suffered defeat at the hands of the Raiders.

In the annual Tournament, which lasted from March 20th to April 1st, Michael Kennedy took the singles titles while Demetrius and Rodney Seaforth triumphed in the doubles. Club members enjoyed their meetings and are working hard to expand the group.

LIVELY FOR A "DEAD LANGUAGE" GROUP

JCL creed

We, the members of the Junior Classical League, covenant to hand on the torch of classical civilization in the modern world. We believe an acquaintance with the civilization of Greece and Rome will help us to understand and appraise this world of today, which is indebted to the ancient civilization in its government and laws, literature, language and arts.

We affirm, the JCL experience develops responsibility, fosters brotherhood, promotes enthusiasm, encourages competition, inspires dedication and enriches our total growth.

With Donald Bailey as its advisor, the LHS chapter of the Junior Classical League really lives up to the tenets of the JCL creed through meetings designed to foster and promote an interest in the classics.

Advisor Donald Bailey, Christopher Condon, Joanne Eno and Darlene Yianopoulos are some of the group's most enthusiastic supporters.

SADD

"If We Can Dream It, It Can Be Done."
1985 was the first year for a SADD (Students Against Drunk Driving) chapter at Lowell High. With Mr. James Foye as the advisor, a board of student directors, led by Presidents Katie Stewart and Brian Gleason, promoted the fight against alcohol abuse. Henry Mroz, Superintendent of Schools, was the program's Honorary Chairman. The four goals of SADD are 1. to help eliminate the drunk driver and save lives, 2. to alert high school students to the dangers of driving and drinking, 3. to conduct local community awareneess programs, and 4. to organize peer counseling programs to help students who may have concerns about alcohol. In this effort, members' "awareness" messages were aired on radio station WLLH. Bumper stickers and key chains were sold to raise funds and increase awarness.
On October 19, 1984, a rally was held for the entire school. Mr. Paul Pacific from the national staff headquarters of SADD was the featured speaker.
Another group SNAAP (Students' Narcotics/Alcohol Awareness Project) was started to concentrate on teaching all the dangers and effects of substance abuse. Mr. Paul Sullivan was the advisor for the program.

It has been said that the promise of America is opportunity, not the guarantee of success. The attainment of success, therefore, rests mainly in each of you as individuals. We urge you to seek out the abundance of opportunities that lie before you and to realize for yourselves that level of achievement in life which is both productive and rewarding.
The entire community of Lowell High School extends its congratulations to you and wishes you well on your future endeavors.

If

If you can keep your head when life's temptations
Are bidding you to heed their beck and call,
If you can dream and have high expectations
Yet not mind working hard to win it all . . .

If you can take advice from those who love you,
Yet learn to make decisions for yourself,
If you can cheer as others pass above you,
And put your disappointments on the shelf . . .

If you can work and not make toil your master,
If you can gain and not make gold your aim,
If, whether you meet triumph and disaster,
You can be proud of how you "played the game" . . .

If you can smile when odds are all against you,
Determined to try even harder still,
If when your foes have practically convinced you
"You can't" — you buckle down and say — "I WILL" . . .

If friends count more with you than wealth and power
And you're at home alike with great and small,
If you can know success' finest hour
Yet place respect and honor over all . . .

If you can be unselfish and forgiving,
And give thanks for the blessings you've received,
If you can face the challenges of living
And, choosing right from wrong, are not deceived . . .

If you can put your heart into attaining
The goal you seek, and do your best each day
Yet, without hesitating or complaining,
Help others gladly as you go your way . . .

If you can live the Golden Rule each minute,
And shape your course according to God's Plan,
Yours is the World — and everything that's in it
And, what is more — you'll REALLY be a Man!

SWINGING INTO SPRING

The LHS baseball team finished the 1984-85 year with a record of 11-9 and as 2nd place finisher in the Merrimack Valley Conference. Under Coach George Cunha, the Raiders qualified for the Division I North Sectionals. After winning a close game against Central Catholic, they dropped an even closer one to St. John's. Sophomore Bill Janes had an outstanding year on the mound (7-1). Co-captains Scott Boyle and Kevin Broderick, as well as John Durgin, proved a tough trio for opposing pitchers, since all three batted over .300 and drove in a total of 55 runs during the season.

Under Coach Phil Maia, the LHS boys' track team finished the outdoor season with a 4-4 record. Five squad members qualified for the State Class A Meet — Dave Cremin, Wilbert Horne, Paul King, Fernando Lazu and Paul Mailloux. Highlights of the year had to be the 4:29 time for the mile, set by Sophomore Dave Cremin (only 0.3 seconds off the record set by Bob Hodge as a Senior) and the breaking of the school's javelin record by Wilbert Horne, with a toss of 194'6". The team placed second in the Triple Classic at Lawrence and had its best dual meet against Andover. Kurt Sieboldt was a big factor in helping to improve the Raiders' performances in the pole vault and javelin events. CLASS ODE THOSE WHERE THE DAYS

As we meet the world no one is scared
We all know we've been prepared
For the things we'll have to face throughout the years
The times that we've shared with our friends
Will be remembered 'til the end
And bring to us the laughter and the tears

We'll all miss the things we've done
In our years of school
And we won't forget the teachers
Who taught the Golden Rule
For the memories will stay with us
As we go our separate ways
And we'll look back and say
"Those were the days"

Now as we go out these doors
And make it on our own
With our lives wide open in the sky
We will see we have shared
Some real good times though we're aware
That we may grow apart as time goes by

Tomorrow is a new day
And new days all must come
And there will sure be good days
For each and every one
Though we'll all be much different
Than we all are today
We'll look back and say
"Those were the days".

Spindle Message

TO: The Class of 1985
FROM: The Spindle Advisor

The Spindle of 1985 is completed. Without Marcie Bernstein, Cathi Cote, Stephen Gervais and Martha McQuade, such a thing could not have happened. They gave unselfishly of their time, talent and effort — not only during the school year but also during the hot summer and in between jobs. It has been a joy to work with them. Their enthusiasm, dedication and plain hard work kept me optimistic. I would also like to extend my thanks to Tom Grabski for the cover design, the memorial page and other original art work within the book. Thanks as well, to Jim Fortin for his photography and assistance with pictures, where needed. Connie Kouloungis, Alicia Gilligan,, Kathy Mulligan, Lyn Gillis, Connie Martin, Mike Morris, Paul Ryan, Jim Durkin, Caroline Yaffa, Brian Gleason, Steve Cox, Scott Stapleton, Mark Sheldon, Darrell Foster, Rebecca Woo, Katie Stewart, Edward Fleming, Jeff Pagliuca, Dave Cremin, the Vail Sisters, the Woo Sisters, Jane Flood, Carol Donohoe, Lissa Marcotte, Chuck Rine and the Lowell Sun provided assistance with team writeups, layouts, copy, ads and pictures. I am most appreciative. Deep gratitude must go to those who gave us financial support through ads. They helped us to produce a quality book.

Beverly W. Coughlin

Thanks for Advising Us

Mrs. Coughlin,

We can't thank you enough for all your effort. No one worked as hard as you in putting together this yearbook. You did a super job typing, retyping, getting ads, and doing research. You were so persistent and dependable. From start to finish you gave a hundred per cent. We appreciate your coming in to school on those hot summer days to work, many times finding yourself alone. We enjoyed working with you — exchanging opinions, using our authority, making decisions, etc. We couldn't have done it without you!

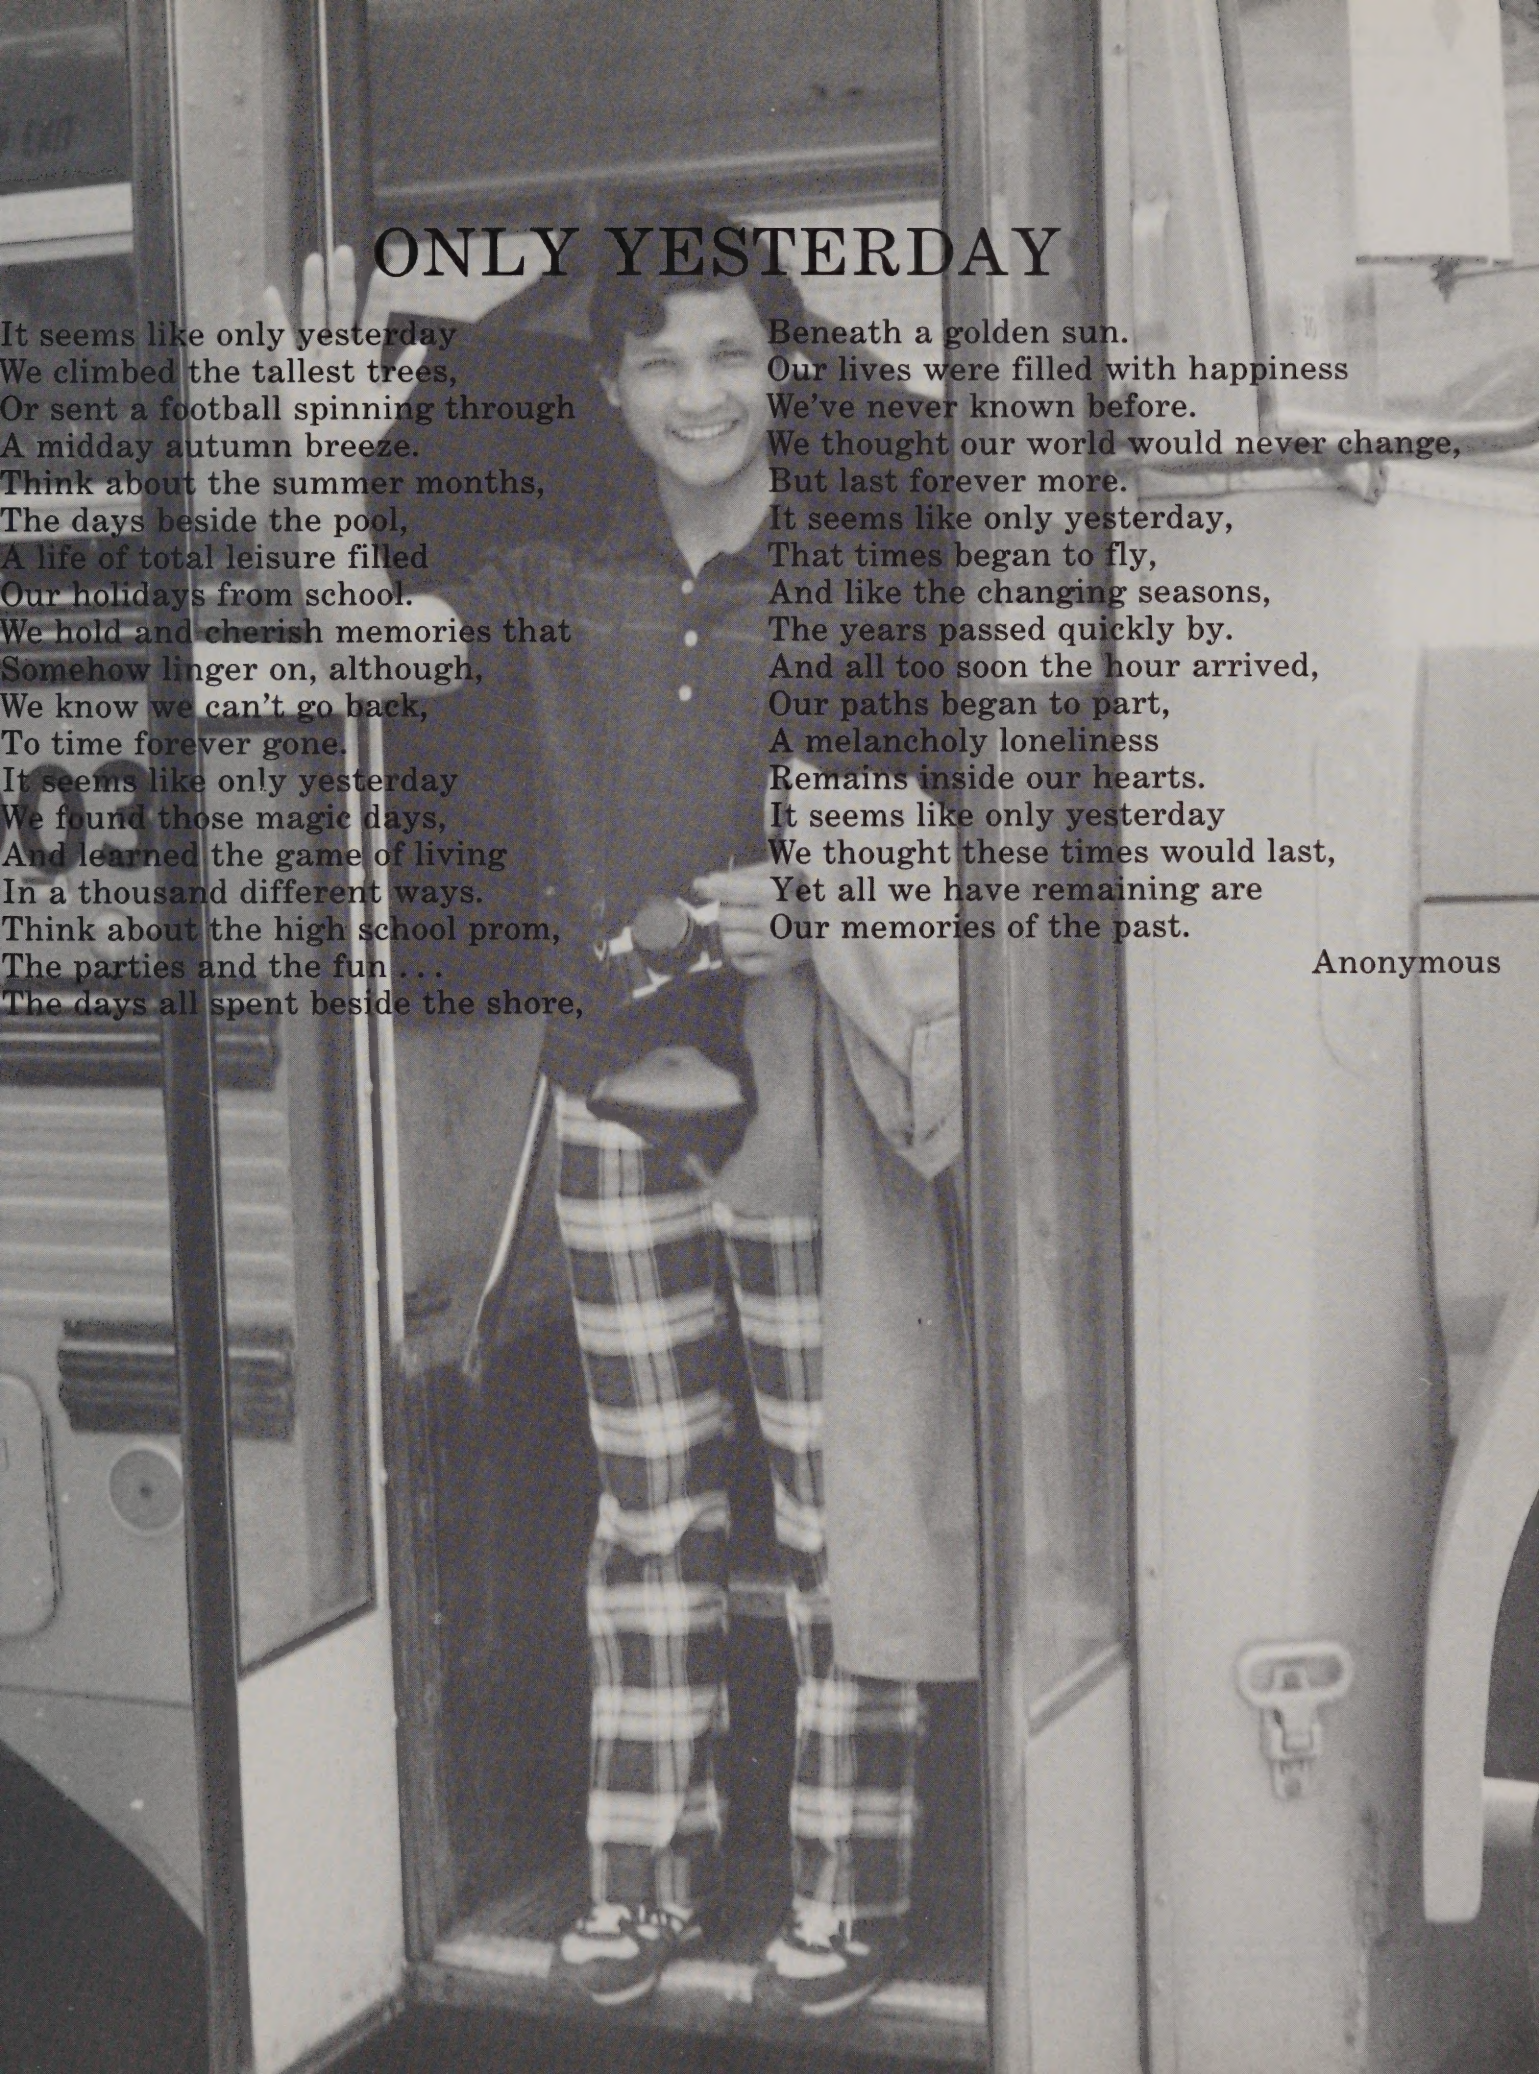
ONLY YESTERDAY



It seems like only yesterday
We climbed the tallest trees,
Or sent a football spinning through
A midday autumn breeze.
Think about the summer months,
The days beside the pool,
A life of total leisure filled
Our holidays from school.
We hold and cherish memories that
Somehow linger on, although,
We know we can't go back,
To time forever gone.
It seems like only yesterday
We found those magic days,
And learned the game of living
In a thousand different ways.
Think about the high school prom,
The parties and the fun . . .
The days all spent beside the shore,
Beneath a golden sun.
Our lives were filled with happiness
We've never known before.
We thought our world would never change,
But last forever more.
It seems like only yesterday,
That times began to fly,
And like the changing seasons,
The years passed quickly by.
And all too soon the hour arrived,
Our paths began to part,
A melancholy loneliness
Remains inside our hearts.
It seems like only yesterday
We thought these times would last,
Yet all we have remaining are
Our memories of the past.
